

IMPACT OF INFORMATION TECHNOLOGY

A collage image featuring a computer keyboard, a pair of black glasses, a yellow pen, and a document with various technology-related terms like 'DIGITAL', 'BIG DATA', 'CLOUD', and 'WEBSITE'. The words are scattered across the page, with 'INFORMATION TECHNOLOGY' prominently displayed in large, bold, red letters in the center. Other visible terms include 'DATA', 'engine', 'online', 'ADVERTISING', 'share', 'network', 'SYSTEM', 'INTERNET', 'secure', 'PROVIDE', 'pipeline', 'FREEDOM', 'TARGET', 'DIGIT', 'cloud', 'net', 'CON', 'SEARCH', 'SECURE', 'DES', 'SOFTWARE', 'e-mail', 'VIDEO', 'SEO', 'CONTENT', 'CLOUD', 'WEBSITE', 'INFORMATION', 'SERVICES', 'TIMIZATION', 'CYBERSPACE', 'engine', 'online', 'ADVERTISING', 'share', 'network', 'SYSTEM', 'INTERNET', 'secure', 'PROVIDE', 'pipeline', 'FREEDOM', 'TARGET', 'DIGIT', 'cloud', 'net', 'CON', 'SEARCH', 'SECURE', 'DES', 'SOFTWARE', 'e-mail', 'VIDEO', 'SEO', 'CONTENT', 'CLOUD', 'WEBSITE', 'INFORMATION', 'SERVICES', 'TIMIZATION', 'CYBERSPACE'.A stylized illustration of a computer monitor and keyboard. The monitor is tilted back and displays a dark screen with several glowing blue and white icons, including what looks like a folder, a document, and some circular progress indicators. The keyboard is positioned in front of the monitor, also in a stylized, blocky design. The entire illustration is rendered in a simple, clean style with a limited color palette.

COLLEGE COURSE PREFERENCE AMONG STUDENTS

Percentage of Students Enrolled in Selected College Courses

College Course	Percentage
BS Computer Science	40%
BS Information Technology	30%
BS Information Systems	18%
BS Electronics Engineering	12%

Key Finding

Computer Science has the highest percentage of students among the four selected courses, accounting for 40% of the group.
